Join us for three days of fun with crafts, performances, storytimes, yoga, and more from North Dakota libraries and state agencies, along with keynote presenters. The entire schedule can be found at <https://library-nd.libguides.com/summerreading/SRKschedule>.

20 Minutes Can Make a World of Difference

The Minot Public Library is partnering with area literacy leaders to demonstrate the life-changing impact 20 minutes can have on a child's life with the #Readfor20 campaign.

The campaign is an effort to encourage people of all ages to read for 20 minutes each day.

If you or your library would like more information about this campaign, contact the Minot Public Library at 701-852-1045.

College SAVE Reading Champion Video

James Barnhardt, Director of the College SAVE Plan program, made a [video](#) that libraries can share with parents who have questions about the program. If your library has chosen to participate in the College SAVE Reading Champion program, feel free to share the [video](#).

Also, watch the [video](#) if your library decided against participation this year. Hopefully, you will see the value of the program and extend it next year to your patrons.

If you have any questions, please contact Shari Mosser (701-328-4663 / ssandwick@nd.gov) or James Barnhardt (701-328-5882 / jbarnhardt@nd.gov).

New Book Club Kit "Lillian Boxfish Takes a Walk" by Kathleen Rooney

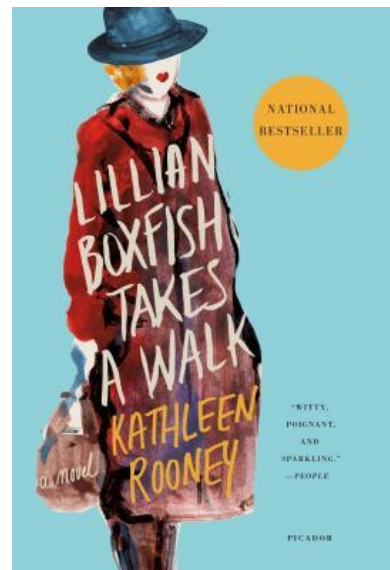

This month, we are highlighting one of the State Library's newest book club kits: "Lillian Boxfish Takes a Walk" by Kathleen Rooney.

Come along on the journey of Lillian Boxfish as she recalls her life during a stroll through Manhattan on the last day of 1984. Lillian's walk takes her past people of all kinds as she reflects on the events of her life—her job, marriage, motherhood, divorce, and more. In this "love letter to city life," Rooney discusses the ever-changing America through Lillian's eyes as she reminisces on the Jazz Age, AIDS epidemic, Great Depression, and the birth of hip-hop. Lillian Boxfish encapsulates everything there is to love in the "shiny and sleazy" city of Manhattan.

"Any day you walk down a street and find nothing new but nothing missing counts as a good day in a city you love," — Kathleen Rooney.

This kit comes with ten books, one discussion guide, and one sign-in sheet.

Kits can be checked out for eight weeks and reserved up to one year in advance. Book club kits can check out to libraries or individual patrons; no more than three kits can be checked out at one time. Kits for schools or classroom use need to be checked out by the Library Media Specialist. To see when this book club kit is next available, check out [KitKeeper](#).

What Happened to Research Methods?

The two-day class called Research Methods is not being offered this summer. The State Library is in the process of revamping our Continuing Education opportunities. Look for the new professional development opportunity that we will roll out for school librarians in 2022.

If you have any questions, please contact Carmen at 701-328-4676 or credding@nd.gov.

Update on Database Usage Statistics

Effective July 1, RBdigital and Zinio will be removed from the State Library's Database Usage Statistics page. March 2021 was the final month of usage for both services, which have been replaced by Overdrive. 2021 year-end information for the Public Library Survey will still be pre-filled like last year.

If you have any questions, please contact Kristen at 701-328-4681 or knorthrup@nd.gov.
